

Adult Education Projects

- **PEER TRAIN** 🤝 A project focused on strengthening capacities to support active ageing through peer mentoring methods. It develops tools for adults 50+ to remain active, skilled, and socially engaged.
- **New Technologies Threats for Elderly** 🛡️ 💻 A project addressing risks older adults face in the digital world. It develops training materials to help seniors understand online threats, improve digital literacy, and stay safe online.
- **Active Through Education** 🎓 🌍 A project supporting adults' participation in education through innovative learning approaches, promoting active citizenship and personal development.
- **SHE** 👩 🤦 A project focused on supporting adults—especially women and vulnerable groups—through education, empowerment, and social inclusion activities.
- **Networking of European Education Initiatives Dedicated to Global Sustainability** 🌐 ♻️ A network project promoting global sustainability education, sharing good practices, and strengthening adult educators' competences in sustainability.
- **Empowered Women for Rural Development** 👩 🏠 A project supporting women in rural areas through training, entrepreneurship skills, and community development initiatives.
- **Easy Ways to Transfer Knowledge** 💡 📚 A project developing simple, effective methods for transferring knowledge to adult learners, improving accessibility and inclusion.
- **IntegrateME!** 🗣️ 📖 Development of open educational resources to support adult migrants and refugees in cultural integration and lifelong learning.

- **Traditional Food – Better Education & Job Opportunities** 🤖 📁 A project using traditional food as a tool for adult learning, cultural exchange, and improving employability skills.
- **Innovative Education with Harmony of Art, Science & Technology** 🎨 🔬 Promotes innovative teaching methods combining art, science, and technology, applicable also in adult education contexts.
- **CERV – YOUNGDEAL** 🤝 📁 A project promoting civic engagement and ecological awareness after the pandemic, involving both youth and adult community members.
- **CERV – UPARTICIPATE** 🌱 🤝 A project supporting the inclusion of migrants through civic education, community participation, and intercultural dialogue.
- **ArtBiz: Entrepreneurship Training for Creative Adults** 🖼️ 🚀 A small-scale partnership offering entrepreneurship training for adults working in creative sectors.
- **Urban Gardens for Communities** 🌻 🌿 A project promoting community learning through urban gardening, environmental awareness, and intergenerational cooperation.
- **SAFE AI** 🤖 📁 A project addressing safe and ethical use of AI, focusing on protecting adults and vulnerable groups from digital risks.
- **Sustainable Seniors** 🧓 🌿 A project supporting senior citizens through sustainability education, community involvement, and wellbeing activities.
- **Empowering Young Entrepreneurs in Digital Marketing & eCommerce** 📱 📊 Supports young adults and adult mentors in developing digital marketing and eCommerce skills.
- **USEFUL, USABILITY, DISPOSABILITY (UUD)** ♻️ 🔍 A project focused on sustainability education for adults, exploring usability and waste reduction.

- **Hands On Plastic Environment**   A project raising awareness about plastic pollution and developing practical learning tools for adult learners.
- **Eco Circle**   Promotes circular economy principles through community learning and educator training.
